

Liaquat Lal

Liaquat has over 20 years' experience leading teams, coaching performance, designing and delivering talent management solutions. His technical expertise lies in his ability to identify and align talent management strategies to organisational capability requirements.

Liaquat's portfolio includes: designing, developing and delivering solutions in sales, product and brand development; organisational development; leadership and management; performance management; succession planning; emotional intelligence; board competency frameworks and organisational learning and development strategies.

Liaquat Lal

Experience

Liaquat has worked in both the public and private sectors. In the public sector, he held practitioner and management roles for local and central government. In the private sector, he has worked on both sides of the fence. Liaquat headed internal learning and development functions for both GE Capital and the Co-operative. He then switched to consulting, and has delivered to national and international clients within the retail, finance, pharmaceutical, IT, insurance, education and telecommunication sectors.

Personal Style

Liaquat believes learning is a creative process that should always result in measurable behaviour change. He describes his brand as courageous, creative and edgy. A disciple of accelerated learning, his solutions are described as high energy, somatic and cognitive. Liaquat uses deliberate practice, comedy, forum theatre and simultaneous dramaturgy to ensure an electrifying experience.
